Statement of Capabilities

Founded in 2010 C&S Jones Group LLC (CSJG) mission is to provide innovative solutions to Local, State, and the Federal Governments by reducing bottlenecks and producing cost-effective results that can be measured quantitatively.

Our services are organized in the following key areas: Construction Management and Supplies.

Projects / Contract Performance

CSJG is performing as a subcontract supplier for the new Exelon Corporate Headquarters in Baltimore, MD.

Previously CSJG has worked as a subcontractor under contracts with HUD, FHA, and Fannie Mae providing Program Management to agencies REO.

CSJG with its delivery partners is able to deliver your materials using:

Walk ups	Walk downs
Elevator roll-ins	Buck hoist
High rise cranes	

Specialization

C&S Jones Group LLC (CSJG) has the following core competencies:

Construction Management:

Multifamily Housing Construction
Industrial Building
Single Family Housing
Financial Analysis

Commercial and Institutional Building
Feasibility Assessment
Workflow Optimization
Compliance and Reporting

CSJG provides innovative solutions for the wallboard category for types I-V construction applications. Our extensive product inventory offers a wide range of standard wallboard, glass-mat panels and specialty products
