CAPABILITY STATEMENT

MSP Superior Services, Inc. is a construction and facilities management company, founded by Mark S. Pooler, in 2002. Believing in truth, skills, respect and loyalty to our clients, MSP Superior Services, Inc. places the client's needs first. We are certified by the Maryland Department of Transportation (MDOT), and the City of Baltimore as a Minority Business Enterprise (MBE) Company; and a member of the State of Maryland Small Business Reserve. We are committed to providing exceptional services to our clients and have been doing so for sixteen years. MSP Superior Services, Inc.'s mission is to provide exceptional services by pursuing business through innovation and advanced technology. We aim to increase in size, maintain high principles, while providing accurate cost estimates.

MSP Superior Services, Inc. has a diverse professional team of people who are equipped with the skills needed to manage a wide variety of projects for our clients. Our commercial renovation projects include clients from various industries, allowing us to service projects for, warehouses, schools, office spaces and churches.
