

## CAPABILITY STATEMENT

# PRIMARY ENTERPRISES, LLC

### ELECTRICAL CONTRACTOR-MDOT, MBE, CBB CERTIFIED

Primary Enterprises is a minority owned, licensed, and insured electrical contracting firm certified with the State of Maryland. We have specialized in government, commercial, industrial electrical construction and service work since 2003. Under personal supervision from Andre McCauley, Vice President, who himself is a master electrician with 20 years of experience in the electrical field.

We build our business reputation on our commitment to our service quality, the quality of our staff and the cost effectiveness of our solutions. Our great record of performance from planning phase to execution of each projects, shows the knowledge required, the qualified electricians, and resources, needed to execute every electrical job. **Our corporation has strong relationships with agencies like University of Maryland, College Park (UMCP), References upon request.**

#### Mission Statement

Our mission is to be the best electrical contractor in our field; experienced, responsive, competitive, and on-schedule. These qualities translate into excellence and trust over 10 years of service. Through extraordinary personal service, attention to detail, and commitment to our customers' needs, we have earned a reputation for excellence that keeps our clients coming back again and again, and consistently referring Primary Enterprises, LLC. with confidence.
