Dump Truck Hauling Services

About TarJet Hauling, LLC

TarJet Hauling offers dump truck hauling of bulk aggregate materials throughout Maryland, Washington D.C., Virginia, Delaware and Pennsylvania. We are a family owned business with over 30 years of combined experience between our partnered drivers.

TarJet Hauling is based on core code of ethics which resonates thru its entire team. Our experienced professional drivers offer safe, efficient and timely commercial hauling services. Each project is monitored for complete customer satisfaction. TarJet Hauling has an expandable fleet of licensed, experienced and well trained dump truck and bulk trailer drivers. Whatever the need, TarJet Hauling is your one stop for all construction and aggregate hauling needs. We have an excellent record of service and safety with a goal of exceeding our customer's expectation, by using effective communication with all team members to meet project deadlines at a high level of quality and service. We provide services to many municipalities in surrounding Counties including utility contractors, residential and commercial builders, heavy highway road contractors, landscaping and pool contractors, golf courses, stream restoration contractors, farmers, home owners and much more.
